

COURSE

Advanced Wound Care Concepts: Next Level Principles for the Wound Certified Clinician focuses on the five product categories that serve wound healing:

- NEGATIVE PRESSURE WOUND THERAPY
- ADVANCED WOUND DRESSINGS
- ADJUNCTIVE THERAPIES
- CELLULAR TISSUE PRODUCTS
- DEBRIDEMENT
- INCLUDES A BONUS MODULE ON REIMBURSEMENT

This advanced educational program will train you on the classifications, mechanisms for action, indications, contraindications, advantages and disadvantages of the products and product categories you use most.

The course can be taken by any clinician. The content of this program meets the criteria that has been established by the NAWCO recertification committee for Wound Care Certified® (WCC)® clinicians who seek recertification as well as for those seeking Advanced Wound Care Certified® (AWCC)® certification.

The course is relevant, current, requested by clinicians, accessible and affordable.
